Build a competitive advantage & productivity in your workplace through advanced geospatial applications

- Visit Southeast Asia's comprehensive regional event for geospatial technologies and location intelligence solutions
- A 2-day strategic business-to-business platform for the technology providers, infrastructure and thought leaders to explore ideas, build new contacts and exchange market insights in a fast expanding industry
- Featuring cutting-edge technologies focusing on geospatial solutions, concepts and trends across government and multiple industries
- Bringing together insightful forums focusing on industry key challenges to regional development for the growing ASEAN geospatial community

Global solutions for Asia's geospatial & location intelligence markets

What's Happening:

Industry Ambassadors

Ng Siau Yong

Director, Geospatial and Data Division & Chief Data Officer
Singapore Land Authority

John Whitehead

Director of Sales and Distribution, APAC
Trimble

Lanita Idrus

Publisher, The ASIA Miner & Director, The Jakarta Mining Club, Coal Club Indonesia
Regional Technical Conferences

Dan Schirren

Head of Business Development, Asia Pacific
Ordnance Survey

Jan Schoderer

Sales Director APAC
Vexcel Imaging GmbH

Ady Ruchiatan

Vice President
Association of Surveying and Mapping Enterprises for Geospatial Information (APSPIG)

Be involved – Your only gateway to meeting some of the world's biggest players in geospatial technology and location intelligence solutions.

Featuring worldwide industry leaders exhibiting at the show

Geospatial Solutions on show include:

AR/VR | Aerial Photography & Surveying | BIM | Cartography | Digital Terrain Analysis | Earth Observation & Satellite | GIS Software & Services | Ground Penetrating Radar | Instrumentation & Automation | LiDAR | Mobile Mapping | Modelling & Visualisation | Photogrammetry & Remote Surveys | Remote Sensing | Surveying Instruments | Topographic Surveys | UAVs and many more...

Who will attend?

National mapping agencies and industry visitors attending the show are invited to come from across Southeast Asia: **Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, Philippines, Singapore, Thailand & Vietnam**

Agriculture & Forestry | Building & Construction | Coastal & Inshore Navigation | Emergency Services & Disaster Prevention | Government | Heritage | Insurance | Logistics & Distribution | Manufacturing | Maritime | Military | Mining | Oil & Gas | Road & Rail | Security & Asset Management | Smart Cities | Utilities | Water & Waste
